

## Audition Notice

# **Monty Night Live!**

Fraser Valley Stage is preparing for another hilarious evening of comedy coming up this fall.

We are on the hunt for people who are ready to play and create! If you have a character, impression, song and/or sketch that will feature your comedic abilities best, then bring it on. Anyone is welcome to audition. We're looking for stage presence, the ability to maintain a character, and a sense of comedic timing. Singing ability is an asset, but not a necessity. Previous experience is also an asset but if you can show capacity, beginners are welcome.

We will have a JVL speaker and aux cable if you are bringing a funny song. Please bring a back track if you need it. If you have any stupid human tricks, you can dance, or do something interesting, show us your talents!

Please bear in mind, we aren't making a family show and it may be inappropriate to some, but likewise, we don't aim to be offensive. We want people to have a really good time.

You may submit a video for your first audition before your in-person audition. If you choose this option, please include the following:

- A clear image of your face with an introduction of who you are and why you want to be involved.
- Clear, well-lit video of your performance, so we don't miss anything.
- Keep it **under 2 minutes** in Quick Time (MOV) or MP4 and send a DropBox link

All in-person auditions need to be timed to **under 5 minutes**, no matter how many elements (skits, impressions etc) you bring.

**If you would like to audition, here's what you need to know;**
